## ***Business Breakfast***

*You are invited to the Old Boys' Business Breakfast to network with other Toowoomba business people, Old Boys and Friends of the School.*

Guest Speaker

MAC STIRLING (1970-73)

Property Developer, Architect, Sport & Recreation Consultant

Mac has had a background of thirty years of experience as a Sports Architect. He is well qualified in the areas of Master Planning, Design & Documentation and Administration of Sport & Recreation facilities and public assembly buildings. Major projects have included Suncorp Stadium and the UQ Centre. Mac is now the Managing Director of his family property development company, Lauder Pty Ltd which has developed Highfields Village Shopping Centre and is current developing The Avenues of Highfields, a 524 lot residential subdivision. He will share his insights on the future for Toowoomba and local business and the major infrastructure projects on our doorstep.

Mac was a member of the Australian Gymnastics team and competed at World Championship level from 1978 to 1985, being recognised by the Australian Sports Commission as an "Athlete of Distinction". He has also held various administrative positions in sporting bodies including the Australian Olympic Committee (Qld). Mac is married with three children, and is also now a grandfather to one. His hobbies are Cross Country Mountain Biking, Sport Climbing, Fly Fishing and Gardening.
